

Royal Norwegian Consulate General in Guangzhou

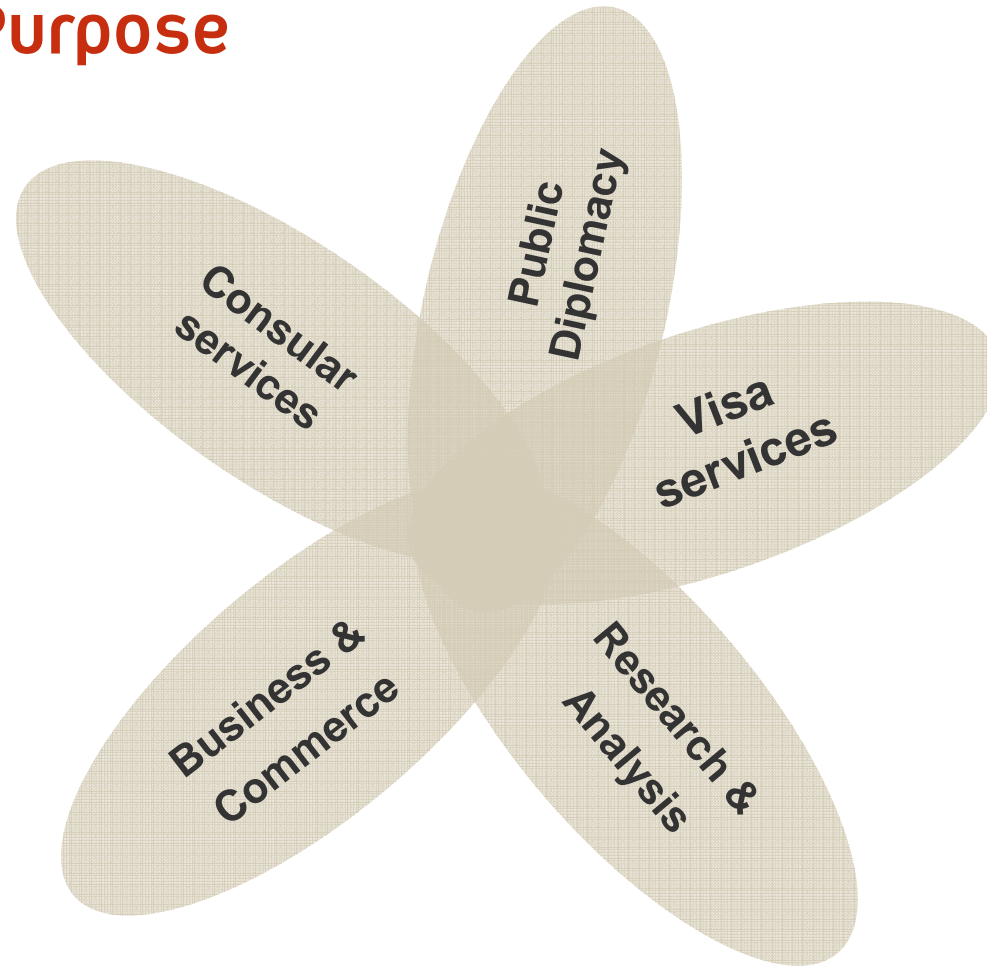

An introduction – Our business services

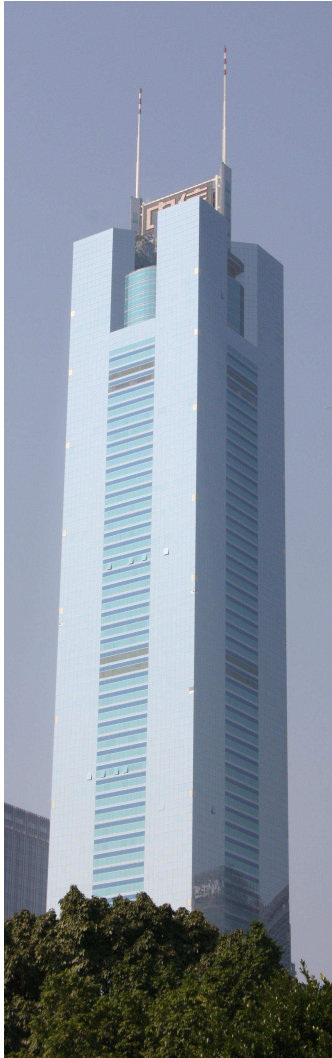

www.norway.cn/guangzhou

Our Purpose

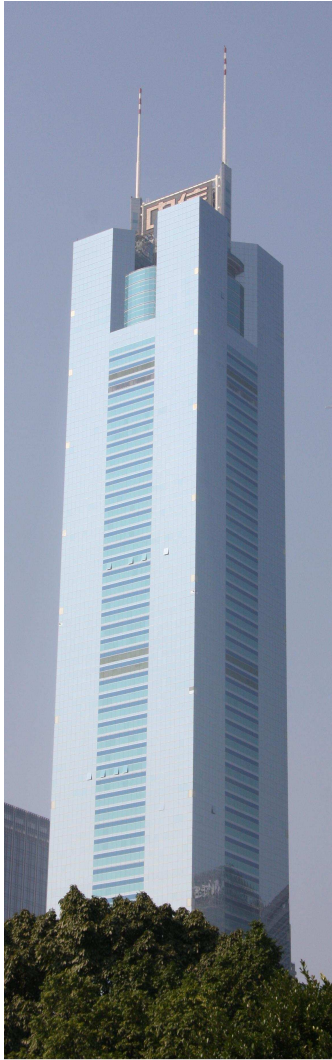

Our Point of Departure: The Government's China Strategy

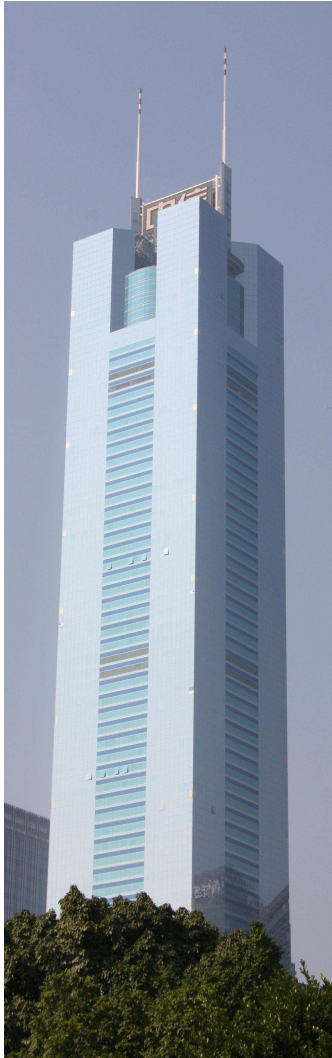

- Expanded economic relations with emphasis on increased market access for Norwegian goods and services
- Development that is sustainable at the local, regional and global level
- Democracy-building and human rights
- More equitable distribution of social goods and resources
- Closer cooperation on international issues

→ Integrated approach

Our Resources

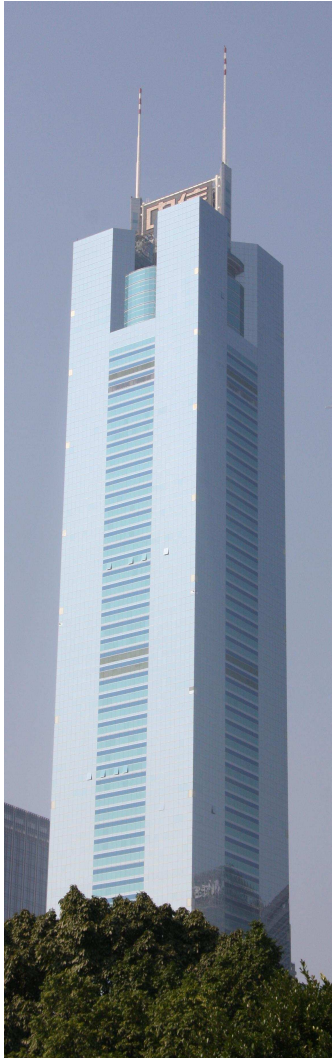

- Thirteen staff with good mixture of key competencies
 - 5 Norwegian
 - 8 Chinese
- “All-China” cooperation
- Office sharing with Scandinavian Tourist Board
- Centrally located office and residence

Business & Commerce: Services of Interest

- Source of information about PRD and beyond
- Dialogue partner about business related issues
- Add official dimension to events, activities etc.
- Facilitate joint events and networking
- The Consul General Residence
- Our office meeting room
- Partner for (potential) problem solving
- Temporary office space (*planned*)

Goal: To be a positive difference for Norwegian interests.
